Binh Duong University (BDU) is was established in 1997 under the Decision No. 791/TTg dated September 24th, 1997 of Prime Minister. After over 13 years of operation, BDU is gradually becoming the interdisciplinary university of economics and ecology which aims to train its student high quality bachelors with expertise in accordance with socio-economic development.

Currently, BDU cooperates with over 38 other educational institutions in Viet Nam, and over the world such as New England School of English (NESE), London South Bank University, Union Institute of Language, University of New Brunswick, Shizuoka Sangyo University, Woosong University, Benedictine University, Assumption University, Saint Petersburg State University, etc.

Because BDU runs a series of high-quality education cooperation programmes with many educational institutions in Viet Nam and many different regions of the world, We are forced to use video conferencing in distance education

Over past two years, We have built Trueconf server and use it. Trueconf server as a great solution, TrueConf as part of their education development which contributes to cost reduction.

Trueconf server is a great and exciting technology for education. I would like to recommend that if you has at with 3 or more branches, Trueconf Server is your best choice because it is possible to set-up a fully functional Video Conference System that works in a professional and reliable way with a minimal cost. I experienced over 10 different video-conference products during last 2 years, I am definitely sure that TrueConf Server is best choice for the educational institutions, and fulfill the your mission of distance education.
